INDUSTRY DAY TO ACCESS THE 15G31 DEVICE AT PENSACOLA, FL

This contract action is being conducted pursuant to the procedures at FAR Subpart 16.505 under the auspices of Training Systems Contract III (TSC III) LOT II, a Naval Air Warfare Center Training Systems Division (NAWCTSD) Multiple Award Contract (MAC). Therefore, pursuant to FAR Subpart 5.202(a)(6) and 16.505(a)(1), this contract action is exempt from synopsis requirements. However, to increase transparency of NAWCTSD requirements and increase opportunities for subcontracting, notice of this opportunity is being provided. Only TSC III Lot II Prime Contractors (contractors previously awarded a contract within this vehicle) are considered an interested party in this contract action. All inquiries regarding participation as a subcontractor should be submitted to a Prime Contractor for consideration. Any documents available for this contract action not otherwise attached hereto, including but not limited to Solicitations, Statements of Work (SOW), and Specifications will be made available only to qualifying Prime Contractors. Interested subcontractors may contact Prime Contractors for access to these documents. A list of NAWCTSD MAC Prime Contractors and their Points of Contact (POCs) may be obtained via the following link.

- a. **INDUSTRY DAY:** NAWCTSD is hosting an Industry Day for the Government to provide an opportunity for interested TSC III Lot II contractors (“interested party”) access to the 15G31 Shore Based Air Traffic System (SATS) for purposes of acquiring familiarity with the SATS. Industry Day will be conducted at the following location:

Site/Platform	POC Address/Phone/SMO	Date/Time & Location
NATTC Pensacola	POC: Barbara Fitzmayer ATC Curriculum Manager W. (850) 452-7023 barbara.fitzmayer@navy.mil Program Manager: LT Mitchel Deshotel ATC Program manager W. (407) 380-4380 mitchel.deshotel@navy.mil	Date: 30-31 Aug 2016 Time: 0900am CST Bldg 3220 NATTC Pensacola 281 Farrar Road Pensacola, FL 32508

- b. **FORMAT:** Industry Day will be held to familiarize the interested parties with the devices, rooms, and to provide an interchange with industry in the form of one-on-one discussions. Each contractor requesting a one-on-one meeting will be allotted a scheduled time during this week, on a first come, first serve basis. The one-on-one time is anticipated to consist of a one-and-a-

half hour window. This will be an UNCLASSIFIED ONLY meeting. All attendees must be US citizens.

- c. **ATTENDANCE:** TSC III Lot II contractors interested in attending the Industry Day should contact Mrs. Carly Galloway via email at Carly.Galloway@navy.mil no later than (NLT) 1600 EDT on **24 August 2016**. Please COURTESY COPY the Program Manager in paragraph (a) in order to obtain base and building access. Please include company name, attendees' names, email addresses, phone numbers, citizenship, company's address and if the attendees have a Common Access Card (CAC) with date of expiration. State if you are interested in scheduling a one-on-one session in the email response. One-on-one's will be scheduled on a first come, first serve basis. Please note that no dial-in number will be available for contractor's use. **Due to the security requirements, please note that individuals who do not have a CAC card and/or RapidGate pass may experience additional delays.**
- d. **SUBCONTRACTOR ATTENDANCE:** Requests must be requested through the Prime Contractor. The Subcontractor attendees will count toward the limit of attendees. All prospective offerors are urged to attend the Industry Day. However, each company is restricted to (3) three attendees (**including subcontractors and/or teaming members**) to attend the Industry Day sessions. If any prime contractor requests to bring more than three attendees, it will be provided on a first come, first serve basis, and may be limited due to maximum capacity requirements. Mrs. Galloway will compile an attendee list consisting of name, company, email address and phone number. The listing will be posted to Navy Electronic Commerce Online (NECO) website at <https://www.neco.navy.mil> and the Federal Business Opportunities (FBO) website at <http://www.fbo.gov/> after Industry Day is completed.
- e. **QUESTIONS:**

RFP Questions: The Government understands that industry may have questions based on the RFP Documentation; however we do request that these questions be in writing to allow the Government time to discuss and prepare an answer for your questions. Therefore, questions to be discussed in one-on-ones regarding the RFP documents must be submitted to the contract specialist via email by **1600 Eastern Time on 30 August 2016**. The submitted questions should be prioritized and the Government will answer as many questions as possible during that time. Additional questions will be permitted in the one-on-one meeting.

Site Visit Questions: Any questions resulting from the site visit will be written down and provided to Contract Specialist on **30 August 2016 by 1600 Eastern Time**. Any questions asked that are considered company proprietary need to be marked as such. The Government intends to provide all interested prime contractors the summary of questions asked and Government responses via NECO; however, proprietary questions will be excluded. If your company does not wish to attend the one-on-one meeting, you may still submit questions to the Government on the Draft RFP. Questions are requested no later than **1 September 2016** in order to support the pending final RFP.

- f. **SCHEDULE**: The following is the tentative schedule for the Industry Day:

Date	Time	Event Description	Location	
30-31 August 2016	0900 CST	Industry Day	NATTC Pensacola	Bldg. 3220

- g. Failure of an interested party to attend the Industry Day or to submit any questions will be construed to mean that the interested party fully understands all the requirements. In no event, will failure to attend the Industry Day constitute grounds for a claim after award of the task order.
- h. The Government is not responsible for, nor will the Government pay, any portion of the costs associated with attendance at the respective Industry Days by prospective contractor personnel.
- i. The Draft RFP will be posted on the Navy Electronic Commerce Online (NECO) website at <https://www.neco.navy.mil> and the Federal Business Opportunities (FBO) website at <http://www.fbo.gov/> on or about **17 August 2016**.
